1. PURPOSE AND SCOPE

This Compliance Manual (the 'Manual') establishes the compliance program and procedures of Aurora Capital Management, LLC ('Aurora'). Aurora operates as an Exempt Reporting Adviser (ERA) relying on the venture capital fund adviser exemption under Section 203(l) of the Investment Advisers Act of 1940 and Rule 203(l)-1 thereunder. The Manual applies to all supervised persons of Aurora, including all officers, directors, partners, employees, and consultants.

2. COMPLIANCE OFFICER

Kevin Park (VP, Finance and Operations) serves as Aurora's acting Chief Compliance Officer ('CCO'). The CCO is responsible for administering the compliance program, conducting annual reviews, maintaining records, and reporting compliance matters to the Management Committee. Aurora has acknowledged the need to engage a dedicated CCO as the firm's AUM scales.

3. CONFLICTS OF INTEREST

Co-Investment Policy	Personal co-investments by principals are permitted with prior CCO approval; disclosed to LPAC on a quarterly basis
Outside Business Interests	Marcus Reeves and Daniel Brenner maintain entertainment industry activities; reviewed and approved by Management Committee annually
Related Party Transactions	Any transaction with an affiliated party requires LPAC approval prior to execution
Gift Policy	Gifts exceeding \$100 in value must be pre-approved by CCO and logged in the Gifts & Entertainment Register

4. CODE OF ETHICS

All supervised persons of Aurora Capital Management, LLC are required to adhere to the following standards of professional conduct:

- 4.1 Act with integrity, competence, diligence, and respect in all professional dealings.
- 4.2 Prioritize the interests of fund investors above personal or firm interests in all investment activities.
- 4.3 Pre-clear all personal securities transactions involving securities of public companies that Aurora has evaluated as potential investments.
- 4.4 Report promptly any actual or potential conflict of interest to the CCO.
- 4.5 Maintain the confidentiality of material non-public information ('MNPI') and avoid trading on the basis of MNPI.
- 4.6 Comply with all applicable laws, rules, and regulations, including those administered by the SEC.
- 4.7 Certify compliance with this Code of Ethics annually.

5. ANTI-MONEY LAUNDERING (AML)

Aurora maintains an AML program consistent with applicable requirements. Brennan Kincaid LLP provides AML/KYC support and assists in investor identity verification. Alpine has recommended that Aurora explore engaging Meridian Fund Services to perform AML/KYC verification for Fund IV investors.

6. EXPERT NETWORK POLICY

Aurora has engaged InsightSphere Expert Network under a written engagement agreement. All expert network calls must be pre-approved by the CCO. Supervised persons are prohibited from soliciting MNPI and must complete the CCO pre-call approval form. Call notes are maintained in the compliance recordkeeping system.
